

STRATHVEA GUESTHOUSE WDDING PACKAGES

Thank you for your enquiry.

We are a **bespoke Wedding Venue** and very much encourage you to make your dream day come true, unlike most wedding venues who have strict regulations as to where you must hold your ceremony and while having limited choice from their menu. We are here to support your love story so that it is reflected on your day. Every wedding which has been held at Strathvea has painted a picture of who the bridal couple are. Not a generic wedding which disappears in the memory of 'just another wedding!' See our Facebook and Instagram for pics.

You will have the **guesthouse** and its **gardens** exclusively to yourselves. The guesthouse itself has many **photo opportunities** with its antiques, sitting room, lounge, dining room, library and its beautiful large deck. As well as its extensive 100 year old gardens.

By offering overnight packages it encourages a relaxing atmosphere whereby you won't feel rushed nor worried about things going wrong. We do have extra rooms on top of what the package offers. Just ask us.

Strathvea has its own chef. We offer **canapés** if you don't have any caterers in mind. Just ask and we can provide you with a menu.

We have **free parking** enough for max 30 - 40 cars. We do offer a 10 seater mini bus and are happy to pick up guests from a designated place in Healesville.

We are also happy to offer you a **bar service** and for you to provide your own beverages. Ask us about Yarra Valley wine as we do have a few secret vineyard connections.

If you have any further questions don't hesitate to ask. We look forward to helping you make your dream day come true.

Cheers,

Deanne and Toby
